IEEE HT Consortium

IEEE HT provides oversight and support with:

- Impact infrastructure and expertise in humanitarian technology to track the impact of our programs and initiatives, moving towards a data-driven approach from design to final outcomes/outputs.
- Outreach and joint marketing to standardize messaging, clearly differentiate offerings, establish cohesive outreach strategies for the programs, attract and retain volunteers, and more.
- Partnerships platform to develop, deploy, or expand programs that advance technology to achieve social and environmental impact locally.
