Dear Participant,

Having the conference, We would like to help you to publish your paper on a non-paid Scopus Journal.

However, first, you are required to:

1. Edit your paper especially the abstract based on the attached template. (We suggest you to directly copy-paste your abstract to the template)
2. Make sure that your introduction/background contains a **clear purpose, research gap, and contribution of the research.**
3. Resend your revised paper for further instructions.
4. Email subject should be Publication ICTE2019\_paperID

Thank you

Best regards,
